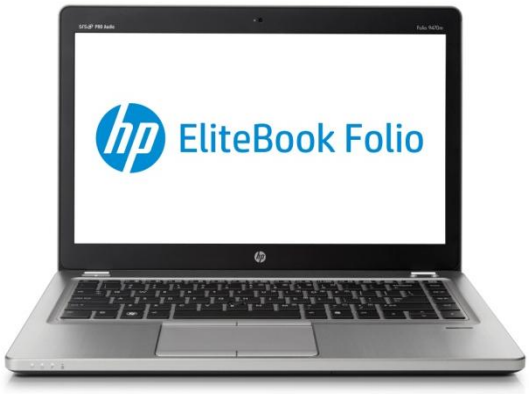
HP EliteBook Folio

Everything a business Ultrabook™ should be

Travel light at full power. The HP EliteBook Folio keeps you productive from the airport to the desktop. Resume from sleep quickly and knock out projects fast. With long battery life, you can keep up with whatever the day brings. Enterprise ready. IT friendly. All business.



HP recommends Windows® 7.

Carry less, do more

At just ¾-inch thin (18.95 mm), it's our thinnest EliteBook yet. The HP EliteBook Folio gives you a 14-inch (355.6 mm) diagonal display with all the mobility you need. Whether you're working in the office or on the go, the workday just got a whole lot lighter—and more efficient. Thanks to built-in VGA, DisplayPort, Ethernet, and three USB 3.0 ports, you can say goodbye to a bagful of dongles.

Advanced design

With enterprise docking capabilities, you can easily connect with a display, keyboard, mouse, additional ports, or printer when at the office, without the hassle of USB connections.

Long battery life[4]

Power through projects without worrying about recharging. The battery isn't integrated so you can swap it out yourself. Plus, you can easily attach a slice battery and extend power for hours and hours.

Stay connected

Access the Internet, corporate networks, and email in more places with optional integrated HP Mobile Broadband featuring 3G and 4G LTE.[5] Take business further with consistent global configurations that allow for product standardization.

Keep working even in dimly lit rooms or on red-eye flights, thanks to a full-sized, backlit keyboard.

Totally protected

With HP Premier Image,[2] the full set of EliteBook business software and anti-virus protection are automatically included. You're protected at every layer with HP Client Security. HP BIOS Vault[6] keeps you running with enhanced protection against virus attacks.

The latest processors

Third Generation Intel® Core™ processors are built for business. Whether it's Core™ i7 or i5 dual-core processors,[7] you'll enjoy control, security, and remote manageability.[8] These ultra-low voltage processors are available at a price that makes sense.

HP EliteBook Folio

HP recommends Windows® 7.

SPECIFICATIONS

Operating system	**Preinstalled:** Genuine Windows 7 Professional 32[9] Genuine Windows 7 Professional 64[9] Genuine Windows 7 Home Premium 32[9] Genuine Windows 7 Home Premium 64[9] FreeDOS	**Certified:** SUSE Linux Enterprise Desktop 11
Processor	3rd Generation Intel® Core™ i7 and i5 Dual-Core[7] with Turbo Boost Technology[17]	
Chipset	Mobile Intel® QM77 Express (vPro[8] support)	
Memory	DDR3 SDRAM, 1600 MHz Two slots supporting up to 16 GB total[10]	
Internal storage[11]	320/500 GB 7200 rpm hard drive; 500 GB 7200 rpm self-encrypting hard drive; 180 GB SATA 6 Gb/s solid state drive; 256 GB SATA 6 Gb/s self-encrypting solid state drive; 256 GB mSATA solid state drive	
Flash Cache[13]	Optional 32 GB mSATA module	
Display	14.0-inch diagonal LED-backlit HD[12] anti-glare (1366 x 768)	
Graphics	Intel® HD[12] Graphics 4000	
Audio/Visual	SRS PRO Audio,™ integrated stereo speakers, integrated dual-microphone array, button for volume mute, function keys for volume up and down Configurable: 720p HD[12] webcam[3]	
Wireless Support[13,14]	HP hs2350 HSPA+ Mobile Broadband Module; HP lt2522 LTE/EV-DO Mobile Broadband Module (only available in the US); HP lt2523 LTE/HSPA+ Mobile Broadband Module (only available in the US); Intel® Centrino® Advanced-N 6205 802.11a/b/g/n (2x2); Intel® Centrino® Advanced-N 6235 802.11a/b/g/n (2x2) + Bluetooth® Combo 4.0 HS; Atheros 802.11 a/b/g/n (2x2) + Bluetooth® Combo 4.0 HS; Broadcom 802.11 b/g/n (1x1) + BT Combo 4.0 HS	
Communications	Integrated Intel® 82579LM Gigabit Network Connection (vPro[8])	
Ports and connectors	2 USB 3.0 ports, 1 USB 3.0 charging port, 1 RJ-45 (Ethernet), 1 VGA,1 DisplayPort 1.1a port, 1 headphone/microphone combo port, 1 power connector, 1 secondary battery connector, and 1 docking connector	
Expansion slots	1 SD/MMC slot	
Input devices	Full-sized, spill-resistant, and backlit keyboard with bottom case drain, touchpad with scroll zone and gestures support, point stick, 2 discrete buttons (WLAN on/off, mute)	
Software (Windows OS only)	Intel Rapid Start Technology,[25] Intel Smart Response Technology,[24] HP Connection Manager 4.1, HP Hotkey Support, HP Recovery Manager, HP Support Assistant, Adobe® Flash Player, PDF Complete Corporate Edition, Skype-ready,[3] WinZip Basic, HP Premier Image,[2] Cyberlink PowerDVD, Evernote, HP 3D DriveGuard, Microsoft® Office Starter: reduced-functionality Word and Excel® only, with advertising. No PowerPoint® or Outlook.® Buy Office 2010 to use the full-featured software.[15] Custom Integration Services provides tailor-made, turnkey solutions for Business Ready PCs.	
Security	Standard: HP BIOS Protection,[23] Microsoft Security Essentials, HP ProtectTools,[21] Central Management for HP ProtectTools,[22] TPM Embedded Security Chip 1.2, Pre-Boot Security, HP SpareKey (requires initial user setup), HP Disk Sanitizer,[19] Drive Encryption for HP ProtectTools, Credential Manager for HP ProtectTools, Face Recognition for HP ProtectTools,[1] File Sanitizer for HP ProtectTools,[19] Smart Card Reader, security lock slot, HP Fingerprint Sensor (configurable) Optional: Intel® Anti-Theft Technology,[20] Computrace,[16] security lock	
Dimensions (w x d x h)	13.3 x 9.09 x .75 in 33.8 x 23.1 x 1.89 cm	
Weight	Starting at 3.6 lb (1.63 kg) (weight will vary by configuration)	
Power	45W HP Smart AC Adapter, 4-cell (52 WHr) Long Life Lithium-Ion battery,[4] 6-cell (60WHr) Long Life Lithium-ion slice battery[4]	
Docking solutions[13]	HP UltraSlim Side Docking Station, HP 65W Docking Station, HP 3005pr Slide Docking 3.0 Port Replicator, HP 2005pr Slide Docking 2.0 Port Replicator, Side docking connector	
Warranty	HP Services offers limited 1 or 3 year standard parts and labor limited warranty,[18] pick-up or carry-in, and toll-free 7x24 hardware technical phone support; 1 year limited warranty on primary battery. On-site service and extended service contracts are also available. Optional HP Care Pack Services[13,18] are extended service contracts which go beyond your standard warranties. Genuine Windows® 7 Professional[9]
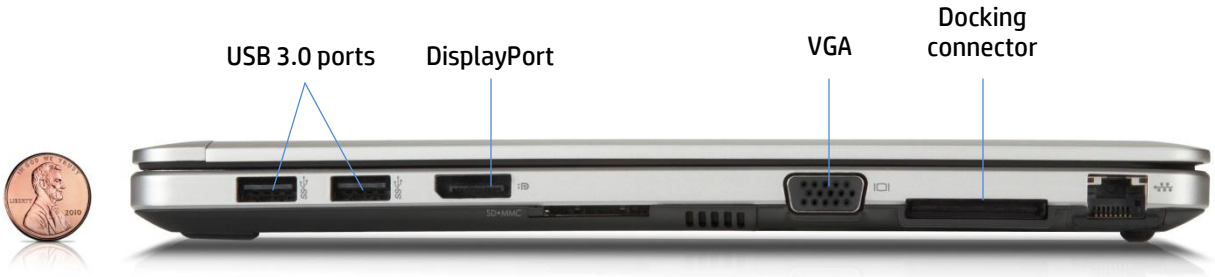
720p HD[12] Webcam[3]
14.0-inch diagonal LED-backlit HD[12] anti-glare (1366 x 768)
Full-sized, spill-resistant, and backlit keyboard
Glass touchpad
EliteBook Folio



1. Microsoft Windows and webcam required.
2. Use of the HP Image and Internet access required. Opt in required to receive updates from Microsoft Security Essentials.
3. Internet access required.
4. Battery life will vary depending on the model, configuration, applications, features, use, wireless functionality, and power settings. The maximum capacity of the battery will naturally decrease with time and usage. For details, see bapco.com/products/mobilemark2007.
5. Broadband use requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G compatibility with HSPA+ and LTE in the U.S. only.
6. HP Tools partition must not be deleted to use automatic recovery.
7. Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
8. Some functionality of this technology, such as Intel® Active management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers. Microsoft Windows required.
9. This system may require upgraded and/or separately purchased hardware to take full advantage of Windows 7 functionality. Not all features are available in all editions of Windows 7. See **microsoft.com/windows/windows-7/** for details.
10. Maximum memory capacities require Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
11. For hard drives and solid state drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 7) of system disk is reserved for the system recovery software.
12. HD content required to view HD images.
13. Sold separately or as an optional feature.
14. Wireless access point and Internet service required. Availability of public wireless access points limited.
15. Includes reduced functionality versions of Word and Excel. Purchase of Product Key required to activate full Office 2010 suite available at participating resellers/retailers and **office.com**.
16. The Computrace agent is shipped turned off, and must be activated by customers when they purchase a subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability Outside the U.S.
17. Intel® Turbo Boost 2.0 technology requires a PC with a processor with Intel Turbo Boost 2.0 capability. Intel Turbo Boost 2.0 performance varies depending on hardware, software and overall system configuration. See **intel.com/technology/turboboost** for more information.
18. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit **hp.com/go/lookuptool**.
19. For the use cases outlined in the DOD 5220.22-M Supplement. Does not support solid state drives.
20. Intel AT security requires a separately purchased Absolute Computrace service subscription and must be activated and configured. Check with Absolute for availability in your country. Intel and HP assume no liability for lost or stolen data and/or systems or any other damages resulting there from. See **intel.com/technology/anti-theft/**.
21. Microsoft windows required.
22. In order to deploy and receive updated policies, the client needs to be connected to the network server and requires separately purchased DigitalPersona Pro software. System access may not prevent users from logging into the system on the first attempt if policy updates haven't yet been received and applied. Requires Microsoft Windows.
23. Requires a HP Tools partition must not be deleted for automatic recovery.
24. Requires a compatible Intel® Core processor, enabled chipset, Intel® Rapid Storage technology software and non-SED HDD + optional mSATA SSD flash cache module. Intel® Smart Response Technology is only available on select 2012 HP systems. Depending on system configuration, results may vary.
25. Requires a compatible Intel® Core processor, Intel® Rapid Start software and BIOS update, and optional Solid State Drive (SSD) or mSATA flash cache module. Depending on system configuration, results may vary.
